

Bimbo Bamboo

I keep my feet up in the air
Red beard, long hair
They say I'm going nowhere
I got a bimbo
I got a bamboo

I got a bimbo
I got a bamboo

I got a bimbo
I got a bamboo

I keep my head up high
I keep my nose up in the sky
They say I'm going down a slide
I got a bimbo
I got a bamboo

I got a bimbo
I got a bamboo

I got a bimbo
I got a bamboo

I got a bimbo
I got a bamboo
